## **PE AND SPORT PREMIUM: 2024-25 PROPOSED EXPENDITURE**

---

The PE and Sport Premium is an element of school funding aimed to improve the provision of PE and sport for all primary-aged pupils so that they can develop healthy, active lifestyles. The government has been providing this funding since 2013/2014, with the aim for primary schools to make additional and sustainable improvements to the quality of the PE, physical activity, and sport for all their pupils.

---

### **Schools are required to demonstrate that the funding impacts on the following five key indicators:**

1. Ensuring that all pupils engage in regular physical activity
2. Promoting and celebrating physical activity throughout the school
3. Increasing confidence, knowledge and skills of staff
4. Providing a broad and varied range of sports and physical activities for pupils
5. Increasing participation in competitive sport

### **Funding Allocation**

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6.

For the 2024-25 academic year schools will receive £16,000 plus an extra £10 per pupil. At Shellingford CE (A) Primary School we expect to receive £16,870.

Below is a summary of how we intend to spend this funding in 2024-25 to support our pupils' learning.
