

Pupil Questionnaire: Classes 1 – 4 - March 2023

Shellingford CE (A) Primary School

"Inspiring hearts and minds"

We would like to know what you think about our school and how we could make it even better.

Thinking about our school . . .

What do you like best about our school? 😊

'Musical marks' time when we choose what we can write and draw. Everything, I just love it! Playing with toys. Stretching and playing with balls in PE. We do fun 'pretend' things like the dragon's egg. The new outdoor play area in Class 1. The older children are kind to us.

Art. Creative things! Showing off my knowledge in PSHE. Maths because we feel good figuring out the answers. Handwriting because we're learning about joined-up handwriting. History.

RE because I love learning about Jesus. Everything! PE. Geography. Worship.

We have a play trail and loads of play equipment. It's got a big field. There are good teachers. We learn well from teachers. We have fun events like discos, Christmas Fayre and Bingo. We have fun creative lessons. I like that it's a small school – we feel like a big family and I know everybody and it's not scary. I love that we are involved when we do class sharing. The teachers are kind and lovely. Outdoor classroom. I like doing Art/DT. I like class worships. I like how we learn because the teacher is really fun. I like school because I like learning about new things every year. I like trying to work independently. I love school trips.

Different visitors coming into school. Lots of trips over the year (especially Yenworthy). Children who need more help have opportunities for extra support. World Book Day. Swimming. Teachers are caring. Working in groups and getting help. Sports Day. Science experiments and using thermometers and making cornstarch. Lots of resources to help us learn.

What could we change to improve our school? 😊

More taxi bikes so everyone can use them at the same time. More green building crates. More 'climbing' toys and water play. No shouting! A role play castle in Class 1. Rainbow colours on the fence. Musical instruments outside so we can play music all the time.

Doing different things like visits. *The children couldn't think of anything else to add!*

Using the outdoor classroom. All the Octolink does not fit into the boxes. I would like to do more DT. I want to learn about more religions. I would like to go on more school trips.

Using different PE equipment that we haven't used. More creative writing opportunities – perhaps a writing workshop. Football Goals. Sports tournaments with other schools. More art activities especially big painting and large scale artwork.
